## Phone Script

**“Hello, my name is [Name], and I am a constituent from [City/State].**

**I’m calling to ask**

**Senator/Representative [Last Name] to co-sponsor the Medical Foods and Formulas Access Act of 2025. Medical foods and formula are a necessary treatment for people with PKU and other metabolic conditions, and consistent coverage is critical for lifelong health.”**

## About MFFAA

**The *Medical Foods and Formulas Access Act of 2025* would require major federal health programs to cover medical food and formula for patients with specific gastrointestinal and inherited metabolic disorders. The passage of this bill would get us one step closer to equitable coverage for all individuals with PKU, regardless of their state or insurance plan.**
